Consultants like LCG receive the study results in exchange for providing Greenwich Associates with evaluations of investment managers. LCG did not pay Greenwich Associates any compensation for inclusion in this study.

Study participants were asked to provide quantitative and qualitative evaluations of their investment consulting providers. Based on those responses, Greenwich Associates calculates a score on the Greenwich Quality IndexSM for each consultant named. Consultants with scores that top those awarded to competitors are named Greenwich Quality Leaders. Three consulting firms, including LCG Associates, Inc., were recognized as Greenwich Quality Leaders for mid-sized firms in the U.S. The rankings presented are not necessarily representative of any single client's experience, but rather represent the collective views of LCG's sampled clients.
